Previous Employments

China Shipping Spain Agency 11/2006 - 06/2010

Contenemar Valencia S.A.

Aduanas y Transportes Lázaro, S.L.

In these companies, I have worked as a Import - Export Coordinator, Customs and commercial department. Doing all the paper work, BL, AWB, COO.

Summary

Extensive experience in logistics, since I have oriented, all my career, in this sense, so, I am able to understand and control the import - export process from the beginning until the end and be able to anticipate the inconveniences that may arise during the process. This last year, I have learned to control strong stress situations, giving fast and effective solutions to the issues related to the delivery of goods in complicated destinations.
